

UNIVERSITÀ DEGLI STUDI DI MILANO

selezione pubblica per n.1 posto/i di Ricercatore a tempo determinato ai sensi dell'art.24, comma 3, lettera b) della Legge 240/2010 per il settore concorsuale 06/M1 - IGIENE GENERALE E APPLICATA SCIENZE INFERMIERISTICHE E STATISTICA MEDICA, settore scientifico-disciplinare MED/42 - IGIENE GENERALE E APPLICATA presso il Dipartimento di Scienze Biomediche per la Salute, (avviso bando pubblicato sulla G.U. n. 53 del 05/07/2019) Codice concorso 4149

Giovanni Piumatti

CURRICULUM VITAE

INFORMAZIONI PERSONALI (NON INSERIRE INDIRIZZO PRIVATO E TELEFONO FISSO O CELLULARE)

COGNOME	PIUMATTI
NOME	GIOVANNI
DATA DI NASCITA	12/08/1985

CURRICULUM VITAE - GIOVANNI PIUMATTI, Bsc, Msc(Res), DPhil

PERSONAL INFORMATION

First name: **Giovanni**

Family name: **Piumatti**

Sex: Male

Date of birth: 12th of August, 1985

Nationality: Italian

Civil state: Married

Email(s): giovanni.piumatti@gmail.com, giovanni.piumatti@unige.ch,
giovanni.piumatti@hcuge.ch

KEY COMPETENCIES

Quantitative Research Methods, Longitudinal Data Analysis, Structural Equation Modeling, Item Response Theory, Psychometrics, Public Health, Epidemiology, Pedagogical Research, Medical Education, Database Management, Statistical Programming, Stata, SPSS, Amos, Mplus

CURRENT POSITIONS

Title: **Postdoctoral Researcher**

Field(s): **Applied Statistics, Psychometrics, Medical Education**

Period: May 2017 till present

Institution: University of Geneva, Medical School (CMU), Unit of Development and Research in Medical Education (UDREM), Switzerland

% teaching: 20

% research: 80

Title: **Data Analyst**

Field(s): **Applied Statistics, Psychometrics, Epidemiology, Public Health**

Period: June 2019 till present

Institution: Geneva University Hospitals, Primary Care Division, Population Epidemiology Unit (UEP), Switzerland

EDUCATION

Period: January 2015 – February 2016

Title: **Master in Data Analysis and Data Science**

Type: Post-graduate degree

Institution: University of Turin, Italy

Thesis' title: Cross-national adaptation of standardized measures of self-perceived well-being: From nationally representative data to a new multidimensional model

Period: January 2012 – March 2015

Title: **Doctorate in Developmental Psychology**

Type: Doctorate degree

Institution: University of Turin, Doctorate School in Human and Social Science, Italy

Thesis' title: Individual and contextual determinants of life satisfaction and adulthood self-perception during the transition to adulthood

Period: January 2011 – June 2011

Title: **Minor in International Development Studies**

Type: Minor degree

Institution: University of Amsterdam, The Netherlands

Period: September 2008 – January 2011

Title: **Research Master in Educational Sciences**

Type: Post-graduate degree

Institution: University of Amsterdam, The Netherlands

Thesis' title: The global financial crisis and effects on education: The case of Bolivia

Period: September 2004 – July 2008

Title: **Bachelor in Neuropsychological Sciences and Techniques**

Type: Bachelor degree

Institution: University of Turin, Italy

Thesis' title: Investigating attitudes towards marriage and family in young people with a history of divorced parents: A comparison between Italy, Portugal and Sweden

WORK EXPERIENCE

Period: May 2016 – April 2017

Position: **Postdoctoral Researcher**

Field(s): **Applied Statistics, Psychometrics, Epidemiology, Public Health**

Employer/Institution: University of Oxford, Department of Psychiatry, United Kingdom

Period: March 2016 – May 2016

Position: **Consultant & Data Analyst**

Field: **Business Intelligence**

Employer/Institution: Metis Ricerche, Italy

Period: August 2015 – May 2016

Position: **Postdoctoral Researcher**

Field(s): **Applied Statistics, Psychometrics, Epidemiology, Public Health**

Employer/Institution: University of Belgrade, Faculty of Medicine, School of Public Health and Health Management, Serbia

Period: August 2011 – December 2011

Position: **Education Intern**

Field: **Financial Education**

Employer/Institution: Child and Youth Finance International, The Netherlands

Period: January 2010 – July 2010

Position: **Research Assistant**

Field: **Social and Political Sciences**

Employer/Institution: University of Amsterdam, School for Social Science Research, The Netherlands

TEACHING EXPERIENCE

Period: September 2018 – May 2019

Course: **Oral communication**

Degree: Bachelor in Biomedical Sciences, University of Geneva, Switzerland

Type: Bachelor degree

Teacher: Prof. Pierre Cosson

Personal role: Tutor

Hours per year: 36

Period: September 2018 till present

Course: **Population and development: Data sources and analysis**

Degree: Master in Global Health, University of Geneva, Switzerland

Type: Master degree

Teacher: Prof. Clémentine Rossier

Personal role: Teaching assistant

Hours per year: 80

CURRENT MAIN RESEARCH ACTIVITIES

Period: May 2017 till present

Institution: University of Geneva, Medical School (CMU), Unit of Development and Research in Medical Education (UDREM), Switzerland

Topic: **Longitudinal analyses of individual and contextual determinants of academic achievement and career choice among medical students (CAPA)**

Personal role: Co-investigator

Principal Investigator(s): Prof. Anne Baroffio, Prof. Margaret Gerbase (University of Geneva)

Period: June 2017 till present

Institution: University of Oxford, Department of Psychiatry, United Kingdom

Topic: **Longitudinal modelling of mental health and cognitive change in late life using data from multiple sources (ELSA, CFAS, CFAS II, EPIC Norfol, Whitehall II) within the Dementias Platform UK (DPUK)**

Personal role: Co-investigator

Principal Investigator(s): Prof. John Gallacher, Dre. Sarah Bauermeister (University of Oxford)

Period: February 2018 till present

Institution: University of Geneva, Medical School (CMU), Unit of Development and Research in Medical Education (UDREM), Switzerland

Topic: **Assessing undergraduate medical students' communication skills during OSCE: A retrospective psychometric evaluation of a global rating scale and suggestions for future directions**

Personal role: Co-investigator

Principal Investigator(s): Dre. Noëlle Junod Perron, Dr. Bernard Cerutti (University of Geneva)

Period: May 2018 till present

Institution: University of Geneva, Medical School (CMU), Unit of Development and Research in Medical Education (UDREM), Switzerland

Topic: **National-based longitudinal trajectories of self-rated health in relation to socio-economic factors in time of crisis in Italy**

Personal role: Principal Investigator

Period: September 2018 till present

Institution(s): University of Lugano, Switzerland – University of Asti, Italy

Topic: **Development and validation of a web-based tool for the epidemiological assessment of dementia in the normal population**

Personal role: Collaborator

Principal Investigator: Prof. Emiliano Albanese (University of Lugano)

Period: February 2019 till present

Institution: University of Geneva, Medical School (CMU), Unit of Development and Research in Medical Education (UDREM), Switzerland

Topic: **Measuring residents' readiness in advance care planning: Proposal for the development of a self-reported questionnaire**

Personal role: Collaborator

Principal Investigator: Dr. Thomas Fassier, Dre. Monica Escher, Prof. Mathieu Nendaz (University of Geneva)

SCHOLARSHIPS AWARDS

Period: August 2015 – May 2016

Title: **Erasmus-Western Balkans Postdoctoral Scholarship (ERAWEB)**

Hosting Institution: University of Belgrade, Serbia

Funds: 18,000€

Period: September 2014 – December 2014
Title: **Erasmus Doctorate Scholarship**
Hosting Institution: Örebro University, Sweden
Funds: 750€

Period: January 2012 – December 2014
Title: **Doctorate Research Scholarship Compagnia di San Paolo**
Hosting Institution: University of Turin, Italy
Funds: 38,000€

Period: May 2010 – August 2010
Title: **Erasmus Mundus Scholarship**
Hosting Institution: University of Amsterdam, The Netherlands. Research Master Thesis fieldwork in Bolivia.
Funds: 2,000€

Period: September 2007 – January 2008
Title: **Erasmus Undergraduate Scholarship**
Hosting Institution: Örebro University, Sweden
Funds: 1,250€

Period: January 2007 – May 2007
Title: **Leonardo da Vinci Scholarship**
Hosting Institution: Instituto Superior Bissaya Barreto, Portugal
Funds: 3,500€

ACADEMIC AND PROFESSIONAL SERVICE

Period: October 2016 till present
Title: **Public Health Professional Expert in Epidemiology and Statistics**
Institution/Organization: Italian National Agency for Regional Health Services

Period: December 2015 till present
Title: **Associated Young Scholar**
Institution/Organization: One Health Global Think-Tank for Sustainable Health & Well-being – 2030

Period: December 2013 – October 2016
Title: **Emerging Scholar Representative, Membership Committee**
Institution/Organization: Society for the Study of Emerging Adulthood

Period: December 2012 – December 2014
Title: **Council Member, Doctorate Students' Representative**
Institution/Organization: Department of Psychology, University of Turin, Italy

Period: March 2013 – March 2014

Title: **Board Commission Member, Doctorate Students' Representative**

Institution/Organization: Doctorate Program in Psychological, Anthropological and Educational Sciences, University of Turin, Italy

Period: January 2013 – May 2014

Title: **Board Commission Member, Doctorate Students' Representative**

Institution/Organization: Doctorate School in Human and Social Sciences, University of Turin, Italy

Period: March 2013 – December 2014

Title: **Research Committee Member, Doctorate Students' Representative**

Institution/Organization: Department of Psychology, University of Turin, Italy
