comunica i quesiti relativi alla prova orale:

## **GRUPPO DI QUESITI N. 1**

- 1) Quali sono le disposizioni normative inerenti all'attività contrattuale delle Pubbliche Amministrazioni, con particolare riferimento all'applicazione in Ateneo del Codice degli Appalti
- 2) Come vengono rendicontate le missioni in un progetto LIFE

Brano inglese 1

### **Article 21 - Ownership and exploitation of results**

21.1 The coordinating beneficiary and/or its associated beneficiaries shall be the owners of documents, possibly patentable or patented inventions and expertise obtained pursuant to the project.

21.2 With a view to promoting the use of techniques or models favourable to the environment, the beneficiaries shall ensure that all documents, patents and knowhow directly resulting from the project implementation shall be made available in the Union as soon as they are available, on non-discriminatory and reasonable commercial conditions.

21.3 The beneficiaries shall comply with Article 21.2 for a period of five years after the final payment.

21.4 Should the coordinating beneficiary, for no legitimate reason, refuse to give access to these products or to grant licences under these conditions, the

Commission reserves the right to apply the rules in Article 18 or, if the project has ended, to demand full or partial repayment of the Union contribution.

## **GRUPPO DI QUESITI N. 2**

- 1) Quali sono i principali regolamenti d'Ateneo
- 2) Come vengono gestite le scadenze di un progetto in relazione a milestones e deliverables

Brano in inglese:

**Article 11 - Conflict of interest**

11.1 The coordinating beneficiary and all associated beneficiaries undertake to take all the necessary measures to prevent any risk of conflicts of interest that could affect the impartial and objective performance of the grant agreement. Such conflicts of interest could arise in particular as a result of economic interest, political or national affinity, family or emotional reasons, or any other shared interest.

11.2 Any situation constituting or likely to lead to a conflict of interest during the performance of the grant agreement must be brought to the attention of the Commission, in writing, without delay. The coordinating beneficiary and all associated beneficiaries shall, without delay, take whatever steps are necessary to rectify this situation. The Commission reserves the right to check that the measures taken are appropriate and may itself take further action if this is deemed necessary.

**GRUPPO DI QUESITI N. 3**

- 1) Quali sono le disposizioni normative inerenti all'impianto contabile degli Atenei, relativamente alla contabilità economico-patrimoniale
- 2) Quali sono gli elementi più rilevanti per un efficace coordinamento di un progetto

Brano in inglese:

**Article 8 - Subcontractors**

8.1 Where the implementation of the action requires the procurement of services for specific tasks of a fixed duration or a purchase of durable goods, a project may also include subcontractors, who shall not be considered as associated beneficiaries. The beneficiaries shall award the contract to the tender offering best value for money or, as appropriate, to the tender offering the lowest price. In doing so, they shall avoid any conflict of interest.

8.2 Subcontractors shall make no financial investment in the project and, therefore, shall not benefit from any intellectual property rights arising directly from the project.

8.3 Any public coordinating beneficiary/associated beneficiary must award subcontracts in accordance with the applicable rules on public tendering, in conformity with Union Directives on public tendering procedures.

For contracts exceeding € 125 000, any private coordinating beneficiary / associated beneficiary shall invite competitive tenders from potential subcontractors; in doing so, it shall observe the principles of transparency and equal treatment of potential subcontractors.
