

ALLEGATO A

UNIVERSITÀ DEGLI STUDI DI MILANO

selezione pubblica per n. 1 posto/i di Ricercatore a tempo determinato ai sensi dell'art.24, comma 3, lettera a) della Legge 240/2010 per il settore concorsuale 06/D1 - Malattie dell'apparato Cardiovascolare e Malattie dell'apparato Respiratorio, settore scientifico-disciplinare MED/11 - Malattie dell'Apparato Cardiovascolare presso il Dipartimento di Scienze Cliniche e di Comunità, (avviso bando pubblicato sulla G.U. n. 91 del 28/11/2017) - Codice concorso 3719

Carola Gianni CURRICULUM VITAE

INFORMAZIONI PERSONALI

COGNOME	GIANNI
NOME	CAROLA
DATA DI NASCITA	04 AGOSTO 1982

Esperienza Professionale

Posizione ricoperta	2014 - tuttora Research Fellow
Principali attività e responsabilità	Laboratorio di elettrofisiologia e cardiostimolazione, ricerca clinica
Datore di lavoro	Texas Cardiac Arrhythmia Institute St. David's Medical Center Austin, Texas (USA)
Posizione ricoperta	2012 - 2015 Medico Volontario, Dottorando
Principali attività e responsabilità	Laboratorio e ambulatorio di elettrofisiologia e cardiostimolazione
Datore di lavoro	Fondazione IRCCS Ospedale Maggiore Policlinico, Mangiagalli e Regina Elena Azienda Ospedaliera San Paolo Milano (Italia)
Posizione ricoperta	2010 - 2012 Medico Specializzando
Principali attività e responsabilità	Laboratorio e ambulatorio di elettrofisiologia e cardiostimolazione, laboratorio di ECG dinamico, reparto di cardiologia, unità di terapia intensiva coronarica, ambulatorio di cardiologia clinica
Datore di lavoro	Azienda Ospedaliera San Paolo Milano (Italia)
Posizione ricoperta	2010 Medico Specializzando
Principali attività e responsabilità	Reparto di cardiologia clinica, laboratorio di ECG dinamico

Datore di lavoro	Fondazione IRCCS Centro Cardiologico Monzino Milano (Italia)
	2008 - 2010
Posizione ricoperta	Medico Specializzando
Principali attività e responsabilità	Reparto di medicina cardiovascolare e pneumologia, ambulatorio di ipertensione, laboratorio di ecografia cardiovascolare, laboratorio di ECG da sforzo, laboratorio di ECG dinamico, laboratorio di tilting test
Datore di lavoro	Fondazione IRCCS Ospedale Maggiore Policlinico, Mangiagalli e Regina Elena Milano (Italia)
	2003 - 2008
Posizione ricoperta	Soccorritore Esecutore Volontario
Principali attività e responsabilità	Soccorritore in ambulanza, livello BLS
Datore di lavoro	Croce Bianca Milano ONLUS Milano (Italia)
Istruzione e formazione	
	2012 - 2015
Qualifica	Dottorato di Ricerca in Scienze Fisiopatologiche, Neuropsicobiologiche e Assistenziali del Ciclo della Vita <i>Titolo della Tesi: Ablazione dei rotori nella fibrillazione atriale non parossistica</i>
Istituto di istruzione e formazione	Università degli Studi di Milano Milano (Italia)
	2012 - 2013
Qualifica	ECFMG Certificate (n° 0-836-035-6) USMLE Step 1 (05/2012) USMLE Step 2 CK (05/2012) USMLE Step 2 CS (11/2012)
Istituto di istruzione e formazione	Educational Commission for Foreign Medical Graduates (ECFMG) Philadelphia, Pennsylvania (USA)
	2008 - 2012
Qualifica	Specializzazione in Cardiologia <i>Titolo della Tesi: Microalternanza dell'onda T in pazienti portatori di ICD in prevenzione primaria</i>
Istituto di istruzione e formazione	Università degli Studi di Milano (II Scuola di Specializzazione in Cardiologia) Milano (Italia)
	11/2007 - 02/2008
Qualifica	Abilitazione all'esercizio della professione di Medico Chirurgo
Istituto di istruzione e formazione	Università degli Studi di Milano (Esami di Stato) Milano (Italia)
	2001 - 2007
Qualifica	Laurea in Medicina e Chirurgia

Istituto di istruzione e formazione	<p><i>Titolo della Tesi: Effetti del test da sforzo massimale sulle cellule endoteliali progenitrici e circolanti nei soggetti sani</i></p> <p>Università degli Studi di Milano (Facoltà di Medicina e Chirurgia) Milano (Italia)</p>
Qualifica	<p>2003 - 2004</p> <p>Certificazione di Qualificazione di Soccorritore Esecutore Livello BLS</p>
Istituto di istruzione e formazione	<p>118 Milano Milano (Italia)</p>
<p>Informazioni aggiuntive</p>	
Madrelingua	Italiano
Altre lingue	Inglese (eccellente capacità di lettura, scrittura ed espressione orale)
<p>Attività scientifica e formativa</p>	
Insegnamento	<p>2014 - tuttora (Texas Cardiac Arrhythmia Institute): tutore per studenti di medicina, specializzandi e medici elettrofisiologi frequentanti il Texas Cardiac Arrhythmia Institute relatrice al corso "Ablation Treatments for Complex Arrhythmia Patients: An Advanced Course for EP Fellows" (New York City, USA; 9-11 Dicembre 2016 e 8-10 Dicembre 2017) con lezioni su argomenti di elettrofisiologia</p> <p>2008 - 2014 (Università degli Studi di Milano): tutore per studenti di medicina e specializzandi frequentanti il reparto di Cardiologia relatrice al corso di Clinica Medica (Facoltà di Medicina e Chirurgia) e di Medicina Interna (Scuola di Specializzazione in Neurologia e Psichiatria) con lezioni su argomenti di medicina cardiovascolare e cardiologia</p>
Ricerca	<p>Durante il corso di laurea, l'interesse principale maturato ha riguardato il ricambio endoteliale, argomento peraltro oggetto della tesi di laurea.</p>
<p>ORCID 0000-0002-8174-7207 ResearcherID G-4020-2013 Scopus Author ID 32667766900</p>	<p>Durante il corso di specializzazione e dottorato di ricerca, la ricerca si è rivolta ad argomenti di cardiologia, principalmente nell'ambito dell'elettrofisiologia clinica, con particolare attenzione alla morte cardiaca improvvisa (oggetto della tesi di specializzazione) e alla fibrillazione atriale (oggetto della tesi di dottorato).</p> <p>Da specialista e ricercatrice, gli interessi si sono focalizzati sulla terapia dei disturbi del ritmo, in particolare sviluppando una progressiva esperienza nello studio e applicazione dell'ablazione delle aritmie ventricolari e sopraventricolari.</p>
