

ALLEGATO B

UNIVERSITÀ DEGLI STUDI DI MILANO

selezione pubblica per n.1 posto/i di Ricercatore a tempo determinato ai sensi dell'art.24, comma 3, lettera b) della Legge 240/2010 per il settore concorsuale _13/A1_____, settore scientifico-disciplinare _SECS-P/01____ Economia Politica_____, presso il Dipartimento di _____ Scienze Politiche e Ambientali_____, (avviso bando pubblicato sulla G.U. n. _____ del _____) Codice concorso _4158__

[Elena Vallino] CURRICULUM VITAE

INFORMAZIONI PERSONALI

COGNOME	VALLINO
NOME	ELENA
DATA DI NASCITA	[13/02/1982]

Europass Curriculum Vitae

Personal information

Elena Vallino

Contact information	Dipartimento di Ingegneria dell'Ambiente, del Territorio e delle Infrastrutture, Politecnico di Torino, Corso Duca degli Abruzzi 24, Torino. +39 011 0905634
E-mail	elena.vallino@polito.it , elena.vallino1@gmail.com
Nationality	Italian
Date and place of birth	13/02/1982, Torino, Italy.

Education

01/2008 – 05/2011	PhD in Economics, curriculum in Complex Systems, Department of Economics "S. Cagnetti de Martiis", Università degli Studi di Torino, Italy.
-------------------	---

04/2006 – 10/2007	Master in International and Development Economics (MIDE), Fachhochschule für Wirtschaft und Technik, University of Applied Sciences, Berlin, Germany.
10/2000 – 12/2005	Laurea in International and Diplomatic Sciences, Università degli Studi di Torino, Italy. Final grade: 110/110 cum laude.
09/1995 - 07/2000	High School for foreign languages “Santorre di Santarosa”, Torino, Italy. Final grade: 100/100.

Work experience

Research

Since June 2018	Post-doctoral fellow for the Project “Water to Food”, ERC Consolidator Grant, PI: Prof. Francesco Laio, Dipartimento di Ingegneria dell'Ambiente, del Territorio e delle Infrastrutture, Politecnico di Torino. https://watertofood.org/
01/2017 – 07/2017	Senior Researcher at CSIL Centre for Industrial Studies – Evaluation Unit, Milano, Italy.
09/2015 – 05/2018	Post-doctoral fellow for the Project “Turin Centre on Emerging Economies”, Collegio Carlo Alberto and Dipartimento di Economia e Statistica Cognetti de Martiis, Università degli Studi di Torino, Italy. http://www.osservatorio-economie-emergenti-torino.it/
07/2015 – 12/2018	Participation to the project “New cooperative business models and guidance for sustainable city logistics (NOVELOG)”, WP 3 and WP 6 (unit of Venice International University). European Union-Horizon 2020-Mobility for growth 2014/2017, grant No 636626.
05/2014 – 05/2015	Post-doctoral fellow for the project “Urban mobility management for a sustainable city. Policies and impacts.” Dipartimento di Economia, Università dell'Insubria, Varese, Italy.
09/2013 – 02/2014	Research fellow for the project “Estimation of the economic value of the alpine ibex and chamois and of the economic relevance of conservation”. Dipartimento di Economia e Statistica “Cognetti de Martiis”, Università degli Studi di Torino, in collaboration with Parco Nazionale Gran Paradiso (Project European Union-Interreg-GREAT Grandi Erivori negli Ecosistemi Alpini in Trasformazione).
01/2011 – 01/2013	Post-doctoral fellow for the project “Health policies in Piedmont Region”. Dipartimento di Scienze Giuridiche ed Economiche “A. Galante Garrone”, Università del Piemonte Orientale, Alessandria, Italy.
01/2011 – 07/2013	Research assistant for the project “Green economy scenarios in the Mediterranean region”, Collegio Carlo Alberto, Moncalieri, Torino, Italy.

Teaching

Every year since 04/2012	Assistant coordinator and Tutor for the module “Economic analysis of institutions for development” at the Master Programme “Management of Development”, International Labour Organization and Università degli Studi di Torino, Torino, Italy (4 weeks-English - co-organized with Jean-Philippe Platteau).
Every year since 06/2016	Lectures on Complexity Economics and Agent-based modelling for the course Transport Decision Making - PhD Program Methods and Models for Economic Decisions, Università dell'Insubria (6 hours-English).
Forthcoming, October 2019	Course “Environment and Economics” for Doctoral and Post Doctoral fellows, Dipartimento di Ingegneria dell'Ambiente, del Territorio e delle Infrastrutture, Politecnico di Torino (10 hours-Italian)
Forthcoming, Spring 2020	Lectures on Water-Food Nexus at the Master Programme “Management of Development”, International Labour Organization and Università degli Studi di Torino, Italy.

- 03-04/2017 Course "International Development and Innovation" for Corso di Laurea Magistrale Cooperazione Sviluppo e Innovazione nell'Economia Globale, Università degli Studi di Torino (18 hours - English) (with M. Migheli and G. Balcet).
- 05/2015 Lectures on Complexity Economics and Agent-based modelling for the course Transport Economics and Innovation –Master Degree in Global Entrepreneurship Economics and Management, Università dell'Insubria (9 hours-English).
- 10-11/2014 and 10-11/2015 Course "Introduction to Economics: Microeconomics and Macroeconomics" for Corso di Laurea Magistrale Cooperazione Sviluppo e Innovazione nell'Economia Globale, Università degli Studi di Torino (30 hours-Italian).
- 2012 - 2014 Exams for the course Società ed ecosistemi globali, Laurea magistrale in Sviluppo, ambiente e cooperazione, Università degli Studi di Torino.

Thesis supervision

- Since 2019 Co-supervision (with F. Laio and L. Ridolfi) of the PhD student B. Falsetti. Project: Water-food nexus and virtual water trade. Dipartimento di Ingegneria dell'Ambiente, del Territorio e delle Infrastrutture, Politecnico di Torino.
- 2012 – 2018 Co-supervision of the following thesis at Department of Economics and Statistics, Università di Torino. T. Messina, Sostenibilità ambientale: teoria economica e pratiche aziendali a confronto (Bachelor). C. Serra, Human sustainable development index: analisi e valutazione della sostenibilità e crescita economica (Master). D. Natalini, Choosing transports: an empirically grounded agent-based model on American household commuting trips (Master). A. Novaresio, Valutazione economica degli impatti di attività antropiche sugli ecosistemi costieri: l'applicazione del benefit transfer al caso di un'area umida costiera nel ponente ligure (Master). A. Magro, Investimenti italiani in Cina: settore food and beverage (Master). M. Cortivo, Understanding the sharing economy: the study of the Chinese transportation sector.
- 2016 Co-supervision of the following thesis at Department of Economics, Università dell'Insubria. C. Abbattista, Agent-Based Models to study urban mobility: an analysis and an applied model (Master).
- 2013 Co-supervision of students in the UniCoo Program, Università di Torino, in collaboration with the NGO Architetti senza Frontiere.

Participation to application for EU funded Projects

- 2015 *New cooperative business models and guidance for sustainable city logistics – NOVELOG*. PI: E. Nathanail, University of Thessaloniki). Collaboration for WP 3 and WP 6 , with. Elena Maggi, unit of Venice International University. European Union-Horizon 2020-Mobility for growth 2014/2017. Project approved, grant No 636626.
- 2017 *Improving the conservation status of critically endangered orchid communities in selected habitats in Northwestern Italy – LIFEOrchids* (PI: M. Girlanda, Dipartimento di Scienze della Vita e Biologia dei Sistemi, University of Torino). With S. Dalmazzone, collaboration for the actions related to the socio-economic impacts of the project. European Union-LIFE, approved on 28th February 2018, code LIFE17 NAT/IT/000596.

Others

- 10/2010 – 11/2010 Collaboration with Re.Te (Non-Governmental Organization) for development and environmental education activities in primary schools.
- 03/2007 – 05/2007 Internship at Deutsche Gesellschaft für Technische Zusammenarbeit – German Technical Development Cooperation (GTZ), Economic Recovery and Microfinance Project (ERMF), Banda Aceh, Indonesia.
- 08/2006 – 09/2006 Collaboration with Consorzio delle ONG Piemontesi (COP), Torino, Italy.

11/ 2004 – 12/2005	Collaboration with Provincia di Vercelli, Partnership Programme Piedmont Parks - West-African Parks, Vercelli, Italy.
03/2005 – 04/2005	Internship and field research at Association inter - villageoise de Gestion des Ressources Naturelles et de la Faune (AGEREF), Banfora, Burkina Faso.
Occasionally	Translations German-Italian and Italian-German for Italian and German companies and organizations.

Periods abroad

10/2016	Visiting Scholar at the Centre for Social Sciences, Hungarian Academy of Sciences, Budapest, Hungary (Prof. Károly Takács). Short Term Scientific Mission for the EU funded COST Action “New frontiers of peer-review (PEERE)”.
04/2010	Visiting Scholar at the Center for the Study of Institutional Diversity, Arizona State University, USA (Prof. Marco Janssen, Center founded by the Nobel Prize Elinor Ostrom).
10/2009 – 02/2010	Visiting Scholar at Centre for Research in Economic Development (CRED), University of Namur, Belgium (Prof. J.-P. Platteau and Prof. G. Aldashev).
10/2002 – 08/2003	ERASMUS Project at Universität Hamburg, Germany.

Training and summer schools

Fourth MIDE Alumni Summer School, University of Applied Sciences, Berlin, Germany (7/2012).

Seminar *Experimental Economics and Spontaneous Order*, directed by Prof. Vernon Smith, Università di Torino, Italy (10/2011).

Panelist at *Third MIDE Alumni Summer School*, University of Applied Sciences, Berlin, Germany (7/2011).

Workshop *Economics of Non-profits, NGOs and Aid Effectiveness*, directed by Prof. G. Aldashev, J.-P. Platteau and M. Ghatak, University of Namur, Belgium (6/2011).

European Agent Systems Summer School, EASSS09, Università di Torino, Italy (9/2009).

First MIDE Alumni Summer School, University of Applied Sciences, Berlin, Germany (7/2009).

PhD Workshop *Theory, analysis and empirical study of institutions and organizations* (Prof. K. Hagedorn), Institute for Social and Economic Sciences of Agriculture, Humboldt University, Berlin, Germany (7/2008).

Seminar *Project Cycle Management*, Faculty of Political Sciences, Università di Torino, Italy (5/2004).

Research interests

Economics of developing countries. Environmental economics. Natural resources and protected area management. Institutional economics. International aid. Complex systems and agent based models. Transport economics. Water-food nexus.

Laurea thesis: *Community management of natural resources: case study of AGEREF in Burkina Faso* (Prof. E. Luzzati and Prof. E. Dansero).

Master thesis: *Microfinance in Indonesia: a tool for local economic recovery in a post disaster situation* (Prof U. Wurzel and Prof. J. Priewe).

PhD dissertation: *Three essays on complexity, natural resources management and international aid. 1. The tragedy of the park: an agent-based model on endogenous and exogenous institutions for the management of a forest. 2. NGOs and participatory conservation in developing countries: why are there inefficiencies? 3. Why droughts started to turn into famines in the Late Victorian periods? A complex system approach* (Prof. S. Dalmazzone and Prof. P. Terna).

Dalmazzone S., Frontuto V., Giaccaria S. and Vallino E., 2014, *A contingent valuation approach for the estimation of the economic value of ibex and other alpine ungulates*. Report for the Project Interreg-GREAT (Grandi erbivori negli ecosistemi alpini in trasformazione), Parco Nazionale Gran Paradiso, Parco Nazionale Svizzero, Unione Europea.

Vallino E., Micconi, A., 2006, *Indagine sulle politiche per la sicurezza alimentare e sulla cooperazione decentrata in Benin, Costa d'Avorio, Capo Verde e Mauritania (Investigation about food security policies and decentralized cooperation in Benin, Ivory Coast, Cap Vert and Mauritania)*, Consorzio ONG Piemontesi, Torino.

Work in Progress

(With F. Laio and L. Ridolfi) *To what extent water governance institutions influence water footprint of food production and economic water scarcity? A cross-country empirical investigation*. To be presented at the Sustainability and Development Conference, October 11-14, 2019, University of Michigan, USA.

(with B. Falsetti, F. Laio, L. Ridolfi) *Is water scarcity reflected in food price? A data driven approach*.

(with C. Candelise and D. Saccone) *Energy access and food security: a comparative perspective*. To be presented at the Sustainability and Development Conference, October 11-14, 2019, University of Michigan, USA.

(with D. Malerba et al.) *Footprint methodologies and their role in policy development*.

(with F. Laio, L. Ridolfi, M. Tuninetti) *How do policies and institutions affect the virtual water trade?*. Presented at the 20th Conference of the Italian Association of Comparative Economic Systems (October 4-5 2018, Collegio Carlo Alberto, Torino, Italy). To be presented at 13-14 June 2019 – 8th Conference of the Italian Association of Agricultural and Applied Economics (AIEAA), Pistoia.

(With K. Takács and S. Righi), *Journal competition and the miracle of peer review: an agent based model*. Presented by E. Vallino at the Social Simulation Conference, 13th Annual Conference of the European Social Simulation Association (ESSA), University College Dublin, Ireland (September 25-29, 2017).

(With E. Bertacchini and I. Bertazzi), *Emergence and evolution of property rights: an agent-based model perspective*. Presented by I. Bertazzi at the Bristol WINIR Symposium on Property Rights, April 4-6 2016, Bristol, UK.

(With E. Maggi), *Agent-based modelling for urban freight transport policies' simulation: an introductory guide for NOVELOG partners*.

Presentations at conferences and seminars

Forthcoming- October 11-14 2019 - Sustainability and Development Conference, University of Michigan, USA. Presentation: *To what extent water governance institutions influence water footprint of food production and economic water scarcity? A cross-country empirical investigation* (co-authored with L. Ridolfi and F. Laio); *Energy access and food security: a comparative perspective* (co-authored with D. Saccone and C. Candelise).

June 13-14 2019 – 8th Conference of the Italian Association of Agricultural and Applied Economics (AIEAA), Pistoia. Presentation: *How do policies and institutions affect the virtual water trade?* (co-authored with F. Laio, L. Ridolfi, M. Tuninetti).

January 21, 2019 – Invited talk at the Workshop “Sustainable Development and Policies”, German Development Institute, Bonn, Germany. Presentation: *Water footprint and virtual water trade: which space for policy recommendations?*

November 9-11, 2018 – Sustainability and Development Conference, University of Michigan – Ann Arbor, MI, USA. Presentation: *NGOs and participatory conservation in developing countries: why are there inefficiencies?* (co-authored with Gani Aldashev).

October 4-5, 2018 - XX Conference of the Italian Association of Comparative Economic Systems (AISSEC), Collegio Carlo Alberto, Torino, Italy. Presentation: *Virtual water trade: a cross-country empirical investigation with institutional perspective* (co-authored with F. Laio, L. Ridolfi, M. Tuninetti).

February 15-16, 2018 – Sixth Annual Conference of the Italian Association of Environmental and Resource Economists (IAERE), University of Torino, Italy. Poster session: *An agent-based simulation of retailers' ecological behavior in central urban areas. The case study of Turin.* (co-authored with E. Maggi and E. Beretta)

September 25-29, 2017 – Social Simulation Conference, 13th Annual Conference of the European Social Simulation Association (ESSA), University College Dublin, Ireland. Presentation: *Journal competition and the miracle of peer review: an agent based model* (co-authored with K. Takács and S. Righi).

October 18, 2016 – Seminar at the Center for Social Studies, Hungarian Academy of Science, Budapest, Hungary. Presentation: *An application of an agent-based model on urban passenger mobility: the case study of Varese* (co-authored with E. Maggi).

June 30-July 1, 2015 - XVII Conference of the Italian Association of Transport Economics and Logistics (SIET), Bocconi University, Milano, Italy. Presentation: *Understanding the climate change implications of urban mobility and the impact of public policies: the role of the agent-based models* (co-authored with E. Maggi).

June 11-12, 2014 - NGO and Nonprofit Economics Research Network Annual Conference, University of Warwick, UK. Presentation: *NGOs and participatory conservation in developing countries: why are there inefficiencies?* (co-authored with G. Aldashev).

December 5, 2013 – Project Workshop “Green Economy Scenarios in the Mediterranean Region”, Collegio Carlo Alberto, Moncalieri (TO), Italy. Presentation: *Alternative scenarios of green consumption in Italy: an empirically grounded model.* (co-authored with Bravo G., Cerutti K. A., Pairotti M. B.).

June 3-7, 2013 – Global Conference of the International Association for the Study of the Commons (IASC), Mt. Fuji, Japan. Presentation: *Who had the idea to become commoners? Some evidence from Senegal and Burkina Faso* (co-authored with C. Navarra).

February 8-9, 2013 – Italian Association of Environmental and Resource Economists (IAERE) Annual Conference, University of Ferrara, Italy. Presentation: *NGOs and participatory conservation in developing countries: why are there inefficiencies?* (co-authored with G. Aldashev).

May 21-25, 2012 – European Summer School in New Institutional Economics (ESNIE), Cargese, France. Presentation: *NGOs and participatory conservation in developing countries: why are there inefficiencies?* (co-authored with G. Aldashev).

July 7-8, 2011 - 4th Italian Doctoral Workshop in Economics and Policy Analysis, Collegio Carlo Alberto and University of Torino, Italy. Presentation: *The tragedy of the park: an agent-based model on endogenous and exogenous institutions for the management of a forest.*

April 19, 2010 - Brown Bag Discussion, Center for the Study of Institutional Diversity, Arizona State University, Tempe, USA. Presentation: *The tragedy of the park: an agent-based model on endogenous and exogenous institutions for the management of a forest.*

November 4, 2009 – Invited seminar at Corso di Laurea Specialistica in Economics and Complex Systems, University of Modena and Reggio Emilia (prof. David Lane). Lecture: *Why droughts started to turn into famines in the Late Victorian period? A complex system approach.*

October 27, 2009 - CRED Workshop, University of Namur, Belgium. Presentation: *Exogenous and endogenous institutions for the management of a forest. An agent-based model.*

July 5-8, 2009 - 15th Annual International Sustainable Development Research Conference, Utrecht University, Netherlands. Presentation: *Community-based management of natural resources: the case of AGEREF in Burkina Faso.*

June 23, 2009 - Invited Research Colloquium at Master in International and Development Economics (MIDE), Hochschule für Technik und Wirtschaft, Berlin, Germany. Lecture: *Hirschman's methodology in development economics.*

June 2-4, 2009 - VI Annual Conference of Italian Association for the History of Political Economy (STOREP), University of Florence, Italy. Presentation: *Why droughts started to turn into famines in the Late Victorian period? A complex system approach.*

14-18 /07/2008 - 12th Biennial Conference of the International Association of the Study of the Commons (IASC), University of Gloucestershire, Cheltenham, England. Presentation: *Community-based management of natural resources: the case of AGEREF in Burkina Faso.*

Organization of Conferences, Workshops and Seminars

Forthcoming, October 24-26, 2019 – Scientific organization of the AISSEC panel on Comparative Economics at the 60th Italian Economic Association Annual Scientific Meeting, with D. Saccone, University of Palermo, Italy.

October 4-5, 2018 - Coordinator of the Organizing Committee and member of the Scientific Committee of the XXth National AISSEC Conference (Italian Association for the Study of Comparative Economic Systems), with the Turin Center on Emerging Economies, Collegio Carlo Alberto, Torino.

May 2018 – on going – Participation to the elaboration of the strategic plan “University of Torino and Africa”, moderation of workshops and meetings, contribution to the final document.

June 20-22, 2018 - Scientific organization and chair of the special session "Agent-based Models and Network Analysis in Transportation" at the XXth SIET Scientific Meeting (Italian Society of Transport and Logistics Economists), with E. Maggi, DASTU, Politecnico di Milano.

May 15-16, 2017 - Scientific and logistic organization of the 4th Workshop on Emerging Economies, Campus Luigi Einaudi, Università di Torino, with the Turin Centre on Emerging Economies.

May 9-10, 2016 - Scientific and logistic organization of the 3rd Workshop on Emerging Economies, “Chinese economy in transition”, Campus Luigi Einaudi, Università di Torino, with the Turin Centre on Emerging Economies.

November 27-28, 2015 - Scientific and logistic organization of the 2nd Workshop on emerging economies, Campus Luigi Einaudi, Università di Torino, with the Turin Centre on Emerging Economies.

Since November 2015 – Co-organization of the Seminar Series with the Turin Center on Emerging Economies.

Appointments

From October 2018 - Secretary General of the Italian Association for the Study of Comparative Economic Systems (AISSEC).

Member of the Scientific Committee of the Turin Center on Emerging Economies (OEET – Collegio Carlo Alberto).

Member of the scientific Advisory Board of the Master Programme “Management of Development”, International Labour Organization and Università degli Studi di Torino.

Academic years 2012/2013 – 2013/2014 – 2014/2015 - Member of the Planning and Development Commission at the Academic Senate of the University of Torino, as representative of Post-doctoral fellows.

Referee for *Food security*, *The European Journal of Comparative Economics, Ecology and Society*, *Journal of Artificial Society and Social Simulation*, *Annals of Public and Cooperative Economics*, *Water Policy*, *European Transport*, *World Development*.

Member of the International Association of the Study of the Commons (IASC), Italian Association for the Study of Comparative Economic Systems (AISSEC), Italian Association of Environmental and Resources Economists (IAERE), Italian Society of Transport and Logistics Economists (SIET), European Social Simulation Association (ESSA), Interdepartmental Centre of Research and Technical and Scientific Cooperation with Africa – University of Torino (CISAO).

Non academic presentations

Invited speaker about community based forest management for the no-profit organizations “ReTe” (March 2011) and “Africa QueroTe” (June 2010), Torino, Italy.
