CURRENT POSITION

SEPT 2019-PRESENT	Postdoctoral Researcher at UNIVERSITY of ZURICH I currently work in a European Research Council (ERC) funded project exploring "The politics of disintegration". The project studies the reverberations of Brexit abroad by analyzing major newspapers coverage and social media activities (Twitter) in selected European countries. My role as team member is to organize and conduct the project's text-as-data research component, including research design and implementation, data preparation and management, quality control, and data analysis.
-------------------	---
