The Fellowship implies carrying out the activities briefly mentioned below at **Dipartimento di Scienze Giuridiche “Cesare Beccaria”** dell’Università degli Studi di Milano and under the supervision of **Prof. Giovanni Ziccardi** within the research programme **“Elaboration of a research and didactic plan in e-learning on the topics of Data Governance, risk analysis and cybersecurity as tools for correct national and, above all, European compliance”**, of the activities mentioned below:

- 1) Analysis of the state of the art of data governance, with particular reference to the IT-legal and data protection aspects, the GDPR, the policies, the instructions to the interested parties and, in general, the corporate governance. The IT-legal analysis will consist of an analysis of the technology and the code underlying the individual problems, in the specific assessment of the usability of specific information in the context of a dissemination of content related to the data governance sector.
- 2) Analysis of the contents to be conveyed in the classroom and through websites or ad hoc platforms related to the topics of legal informatics. The first contents on which we will experiment will be data governance, data protection, risk management and analysis, IT security and cybercrimes and related to data protection which, more frequently, are committed in the public sphere and corporate.
- 3) Preparation of a series of original didactic modules and packages from an IT-legal point of view on data governance, of an evaluation and test system, of frequency control and of the participation and attention of learners.
- 4) A study of those aspects of legal IT that are analyzing the impact of data governance and the so-called "data economy" in the current technological society, the problem of adapting the GDPR to the new framework and the best ways to make people understand the data protection as a fundamental element for correct compliance in the public and corporate sphere.
- 5) Experimentation of a platform and content delivery during the second and third year of the Jean Monnet chair of the University of Milan on data governance (Prof. Giovanni Ziccardi)
- 6) Publication of a study related to the new methods of e-learning, content dissemination and

online empowerment in the field of legal information technology with particular reference to the areas of data governance, the GDPR and data protection.

ART. 7 - INCOMPATIBILITIES

For requisitions of admission and incompatibilities please see art. 6 and 8 of Regulations at the link: <https://www.unimi.it/it/ateneo/normative/regolamento/regolamento-gli-assegni-di-ricerca>

ART. 8 - FELLOWSHIP AND INSURANCE

University will provide, for the period of the contract of collaboration to research, private insurance cover, with a public liability insurance and industrial accident insurance in favour of the fellow and within carrying out of research activities. The amount of the premium for insurance against industrial accidents is subtracted each year from the remuneration for the fellow.

ART. 9 - PAYMENT AND SUPERVISION

The amount is paid in postponed monthly instalments. The Fellows' duties, established by the individual contract, are performed under the supervision of the Professor coordinator who will verify the activity carried out according to art. 8 paragraph 5 of Regulations.

ART. 10 - SELECTION PROCESS

Application forms will be examined by a judging Commission, specifically appointed by the Rector (for the composition of the Commission see Regulations, art. 3 paragraph 2). The Commission, within twenty days since the deadline for presenting applications, with justified report, will form a ranking on the basis of a selection of academic and scientific qualifications presented and of an interview aiming at verifying the candidate's aptitude to research and knowledge of the language required. The commission establishes the standards of evaluation first and to evaluate the candidate it can use up to 100 points, 50 for qualifications to divide up in the following way:

- 1) PhD or Specialization in Medical Area up to **15** points
- 2) Scientific-professional Curriculum (post-graduate degrees, certified experience for research activity already carried out at public and private bodies with contracts, scholarships or appointments, both in Italy and abroad) up to **10** points
- 3) Other qualifications established by the competition notice up to **15** points
- 4) Scientific publications up to **10** points
and for the interview up to **50** points.

The Commission at the end of the interviews will publish the result of the total evaluation for each candidate and will form a ranking on the grounds of the points earned by each candidate, and appoints the winner or the winners when more fellowships must be awarded. In case of

equality the youngest candidate will be preferred. The results of the selection are approved by Rector's decree and published on the University web site. Reports by Commission are public.

The interview is public and will take place on **June 22th, 2020 at 3 pm** at Dipartimento di Scienze Giuridiche "Cesare Beccaria" - via Festa del Perdono 7 - Milano.

Handicapped candidates, according to Legge 05/02/1992 n. 104, will do explicit request related to their handicap concerning the necessary aid in order to do the interview.

Candidates living abroad can have an interview with electronic procedures that ensure their identification, with the authorization by Examination Committee. Candidates should contact the Direzione Risorse Umane - Ufficio Contratti di formazione e Ricerca (assegni.ricerca@unimi.it), at least one week before the date of the interview, to verify in advance the feasibility. The dates of the telematic interviews are shown art.10 of this call.

The winner will receive communication, by registered letter with return coupon attached, to the address written in the application form, of the assignment of the fellowship. Within 15 days since receiving the communication, unless differently stated, the person concerned must send to the Rector the declarations of acceptance required by the Administration, otherwise he/she will lose the right and within the following 10 days he/she will be called to stipulate a contract of collaboration to research activities.

Candidates who earned their degree abroad and are the winners must send to this Office, together with declarations of acceptance required by the Administration, the official translation with declaration of value of the foreign degree by qualified Italian diplomatic or consular representations in the country of origin, according to laws in force on the subject. Candidates will be excluded from the selection in case documents do not arrive within such deadline.

For non-EC citizens the fellowship will start after obtaining the entrance visa for scientific research and when research activity actually begins.

Personal states, facts and qualities self-certificated by the winner of this competition will be properly checked by Università degli Studi di Milano, also by sample, concerning their truth.

Declarations and certifications sent in one envelope by registered letter with return coupon attached (stamp and date of the post-office will be considered) will be considered sent in time within the deadline mentioned; on the envelope the competition notice concerned must be shown.

If the activities imply the use of laboratories, work equipment, chemical, physical and biological agents, inclusive of equipments provided with visual display units, the Fellow, according to art. 41 Dlgs n. 81/08, will undergo prior medical examination in order to verify counterindications with reference to activities which the subject should carry out and to evaluate his/her suitability.

ART. 11 - WINNER NOT COMPLIANT WITH COMPETITION NOTICE AND REGULATIONS

Winners of fellowships who do not comply what established by this competition notice and Regulations lose the right to the fellowship upon Rector's act by previous written communication.

ART. 12 - PLACE AVAILABLE IN CASE OF LOSS OF RIGHT OR RENOUNCE BY WINNER

In case of loss of the right or lack of stipulation within the deadline established or possible renounce by the winners, fellowships are made available to the candidates usefully placed in the ranking that, according to what established by Regulations, is valid up to ninety days from the

approval of acts.
