

ALLEGATO A

UNIVERSITÀ DEGLI STUDI DI MILANO

Procedura di valutazione per la chiamata a professore di I fascia da ricoprire ai sensi dell'art. 24, comma 6, della Legge n. 240/2010 per il settore concorsuale 06 Anestesiologia (settore scientifico-disciplinare MED/41 - Anestesiologia) presso il Dipartimento di Oncologia ed Emato-Oncologia, Codice concorso 3743

CURRICULUM VITAE

IDENTIFICATION

Name: Franco
Surname: Valenza

Date of birth: 3 March 1965
Place of birth: St. Louis Missouri, U.S.A.

Citizenship: Dual: italian and american

Status: Married with children

Place of work: University of Milan, Faculty of Medicine,
Department of Pathophysiology and Transplantation.
Fondazione IRCCS Istituto Nazionale dei Tumori.
Tel: 39 (2) 2390 2139
Fax: 39 (2) 2390 3366
Email: franco.valenza@istitutotumori.mi.it

EDUCATION

November 1997 Full certification in Anaesthesia and Intensive Care, Faculty of medicine University of Milan.
Diploma di Specializzazione in Anestesia e Rianimazione, indirizzo Terapia Intensiva (70/70 e lode)
Università degli Studi di Milano, Italia

October 1991 Medical Doctor degree, Faculty of Medicine, University of Milan.
Diploma di Laurea in Medicina e Chirurgia (110/110 e lode)
Università degli Studi di Milano, Italia

July 1984 High School degree (course of studies in science)
Diploma di Maturità Scientifica
"Collegio A. Volta", Lecco, Italia

SPOKEN LANGAGES

Italian, English

CERTIFICATES

Certificate of full registration as a medical practitioner (principal list), UK
Reg. # 4687373, 28 Mar 2000
General Medical Council, London, UK.

Certificate of full registration as a specialist in Anaesthesia and Intensive Care
Diploma di specializzazione in Anestesia e Rianimazione,
November 1997, University of Milan, Faculty of Medicine, Italy.

Certificate of full registration as a medical practitioner, Italy
Iscrizione all'Albo professionale dei Medici
Reg. # 999- 14/12/1993, Lecco, Italy.

Certificate of qualification to work as a medical doctor, Italy
Certificato di abilitazione professionale medica
Reg. # 730, n.6, November 1991, Milan, Italy.

APPOINTMENTS

From November 2017	Head of the department of Anaesthesia and Intensive Care, National Center of Milan, Fondazione IRCCS - Istituto Nazionale dei Tumori, Milano, Italy.
July 2017	Clinical Observer, Department of Anesthesia and Critical Care, Toronto General Hospital, University of Toronto, Toronto, Ontario (CA).
August 2017	Clinical Observer, Department of Anesthesia, Liver Transplant program King's College Hospital. London (UK).
from February 2015	Associate Professor, University of Milan, Faculty of Medicine, Department of Pathophysiology and Transplantation, Milan, Italy.
from July 2008 to June 2009	Post-Doctoral Fellowship, Department of Anesthesia, St. Michael's Hospital, Dr. Slutsky AS, Dr. Zhang H. University of Toronto, Toronto, Ontario Canada (CA).
from November 2001	Assistant Professor, Faculty of Medicine, Department of Pathophysiology and Transplantation, University of Milan, Milan, Italy (IT).
September 2001	Experimental, research and clinical work observer, Royal Brompton Hospital, Department of Thoracic and Intensive Care Medicine, Imperial College School of Medicine, London (UK).

from March 1997 to October 2017	Staff physician, Department of Anaesthesia and Intensive Care, Fondazione IRCCS Ca' Granda - Ospedale Maggiore Policlinico, Milan, Italy.
1993 - 1997	Resident in Anesthesia and Intensive Care, Department of Anaesthesia and Intensive Care, Fondazione IRCCS Ca' Granda - Ospedale Maggiore Policlinico, Milan, Italy University of Milan, Faculty of Medicine.
from November 1993 to February 1995	Research fellow, Respiratory Medicine Division, Mount Sinai Hospital, Dr. A.S Slutsky, University of Toronto, (CA).
1992 - 1993	Military duty Service, Medical Doctor, Centro Socio Educativo, Monza USSL 64, Italy.
1990 - 1991	Student Internship, Institute of Anaesthesia and Intensive Care (Prof L. Gattinoni) Ospedale S. Gerardo dei Tintori, Monza University of Milan, Faculty of Medicine, Milan, Italy.
1988 - 1990	Student Internship, Institute of Human Physiology (Prof. Schieppati), University of Milan, Faculty of Medicine, Milan, Italy.

CLINICAL ACTIVITY

From November 2017	<u>Head of the department of Anaesthesia and Intensive Care</u> , National Cancer Center of Milan, Fondazione IRCCS - Istituto Nazionale dei Tumori, Milan, Italy.
From March 1997 to October 2017	<u>Staff physician</u> department of Anaesthesia and Intensive Care, Fondazione IRCCS Cà Granda-Ospedale Maggiore Policlinico Milano, Italy.
From 2009	<u>Coordinator and leader</u> of the "Lung Reconditioning before Transplantation" clinical program at the Fondazione IRCCS Cà Granda-Ospedale Maggiore Policlinico. Milan, Italy

Prevalent clinical activity:

- Anesthesia for solid organ transplantation (lung, liver, kidney)
- Anesthesia for thoracic procedures (lung, trachea, chest wall, oesophagus)
- Anesthesia for liver and biliary disease
- Anesthesia for endocrine disease
- Anesthesia for obese patients
- Intensive Care in the post-surgical settings

DIDACTIC ACTIVITY

In charge of the methodological and professional training of under-graduated and graduated medical students, and of students training in anesthesia and intensive care, including supervision

and direct responsibility for medical doctor degree thesis and specialty thesis in anesthesia and intensive care.

Involved at different levels in a number of masters and teaching activities, including:

Master courses

Master on Pain Treatment (second level)”, University of Milan (2015-6).
Coordinator of the master.

Master on Organ and tissue donation and transplantation, University of Milan (2017-8).
Member of the Organizing committee. In charge of a teaching module.

Master on Palliative care (second level), University of Milan (2017-8)
Member of the Organizing committee.

Master on “Intensive Care Medicine”, University of Milan (from 2014 to 2016)
Coordinator and teacher of a number of courses at the master, involving macro and micro simulation

Master on Physiotherapy and Respiratory rehabilitation, University of Milan (from 2010-1 to 2015-6).
Teacher. Respiratory physiology.

Master on Intensive Care Nursing, University of Milan (2006-7, 2007-8).
Teacher. Anesthesia and Intensive Care.

Post-doc Specialty schools

Anaesthesia and Intensive Care, University of Milan (from 2001-2 to 2017-8):
Coordinator of the didactic activity and training of the school
Coordinator of the anesthesia teaching module
Coordinator of a number of seminars
Clinical and research tutor of a number of students, including thesis supervision
In charge of the didactic activity, including training, at the Fondazione IRCCS Istituto Nazionale dei Tumori.

Teacher of Anesthesia and Intensive Care at the specialty schools of:
Thoracic Surgery, University of Milan
General Surgery, University of Milan
Cardio-Vascular Surgery University of Milan
Ematology, University of Milan

Degree courses of:

Medicine, Anesthesiology, Emergency (D51-39-A)
Medicine, Anesthesiology, Emergency (D 56-3-C)
Assistenza Sanitaria: Anesthesiology, Emergency (D82-6-E)
Nursing, Anesthesiology and Intensive care (from 2002-3 to 2007-8)

Member of the didactic commission at the University of Milan, Faculty of Medicine (Polo Centrale).

SCIENTIFIC ACTIVITY

Coordinator and leader of a multidisciplinary research team composed of anesthesiologists, surgeons, nurses, residents in anesthesia and intensive care, under-graduated and graduated

medical students, biologists and technicians dedicated to the investigation of acute lung injury in the settings of organ donation and lung transplantation.

Principal Investigator of

experimental research projects (small, large animal and cell culture models) on:

Lung preservation and regeneration strategies for lung and liver transplantation

Hypoxia, metabolism and energy failure

Ventilator-induced lung injury

Cardio-respiratory consequences of abdominal hypertension

clinical research projects (anesthesia, intensive care) on:

Ex-vivo lung perfusion for clinical lung transplantation

Care of the multi-organ donor (multicenter investigations)

Mechanical ventilation during one-lung ventilation

Peri-operative conduct of anesthesia in obese subjects

Abdominal hypertension and acute lung injury

Mechanical ventilation and ventilator induced lung injury

Invited speaker and/or Chairman in a number of national and international meetings (see below)

Invited reviewer for

Intensive Care Medicine, Critical Care Medicine, Critical Care, Journal of Clinical Anesthesia, Minerva Anestesiologica, Pulmonary Pharmacology and Therapeutics, Saudi Journal of Anesthesia, BMC Gastroenterology, BMC surgery, Expert Review of respiratory Medicine, Human Gene Therapy

Invited grant reviewer for

European Society of Intensive Care Medicine (ESICM);

University of Lueven;

the 20th TV3 Marató Call on Regeneration and Transplantation of Organ and Tissues.

(<http://www.tv3.cat/marato/en/>) managed by the Catalan Agency for Information, Assessment and Quality, CAHIAQ (formerly CAHTA);

National Science Centre, in Polish Narodowe Centrum Nauki (abbr. NCN), executive government agency set up to fund basic research in the Republic of Poland (<http://www.ncn.gov.pl>);

Fondazione IRCCS Ca' Granda, Ospedale Maggiore Policlinico;
VQR, Italy (<https://referee.cineca.it>)

Scientific Organizations' Membership

Società Italiana di Analgesia Anestesia Rianimazione e Terapia Intensiva (SIAARTI),

European Society of Intensive Care Medicine (ESICM)

European Society of Organ Transplantation (ESOT)

Società Italiana di Trapianti d'Organo (SITO)

Society of Critical Care Medicine (SCCM)

Research group activities

European Association of Cardiothoracic Anesthesia (EACTA):

Member of the international "Lung Transplantation" guidelines committee. Leader of the "General management" sub-committee.

European Society of Transplantation (ESOT):

Member of the international "Organ donor" consensus meeting. Leader of the Donation after Brain Death (DBD) group.

Società Italiana di Anestesia Analgesia Rianimazione e Terapia Intensiva (SIAARTI).

Member of the Transplantation section, leader of the working group on multi organ donor care.

Other relevant appointments

Member of the Organizing committee (Comitato d'Indirizzo Gestionale) of the Polo Veterinario di Lodi - Ospedale Grandi Animali, University of Milan, Italy.

Member of the Scientific Committee Board of the Fondazione IRCCS Ca' Granda - Ospedale Maggiore Policlinico, Milan, Italy.

Member of the Ethical committee of Milan (area B).
Expert of extra-corporeal medical devices.

Research funds procured

Funding Agency: Regione Lombardia (Ricerca Innovativa) Title: Ricondizionamento extracorporeo dei polmoni prima del trapianto: crocevia di nuove prospettive nel processo donatore-trapianto.

Duration: 24 months

Key words: Multiorgan-donor, EVLP, Lung Transplantation

Role: Principal Investigator

Amount funded: 300.000 euro

Funding Agency: Lega Lombarda Fibrosi Cistica

Title: Uso della circolazione extracorporea per valutare e ottimizzare la funzione degli organi prima del trapianto: possibile strategia per aumentare il numero di trapianti presso la Fondazione IRCCS Ca'Granda.

Duration: 12 months

Key words: EVLP, Lung Transplantation

Role: Principal Investigator

Amount funded: 83.000 euro

Funding Agency: Centro Nazionale Trapianti (CNT)

Title: " Modulazione del pH durante ventilazione e perfusione del polmone isolato per ridurre l'incidenza di primary graft dysfunction post-ischemico"

Duration: 12 months

Key words: Lung Transplantation, Ischemia-reperfusion injury

Role: Principal Investigator

Amount funded: 50.000 euro

Funding Agency: Fondazione IRCCS Ca' Granda - Ospedale Maggiore Policlinico.

Title: Modulazione del pH alla riparazione post-ischemica: possibile strategia per aumentare il numero di organi disponibili per il trapianto polmonare.

Duration: 12 months

Key words: Lung Transplantation, Ischemia-reperfusion injury

Role: Principal Investigator

Amount funded: 55.000 euro

Funding Agency: Public fund raising.

Title: Donazione di organi e trapianto: ricondizionamento extracorporeo dei polmoni prima del trapianto in pazienti con fibrosi cistica

Duration: 12 months

Key words: EVLP, Lung Transplantation

Role: Principal Investigator

Amount funded: 120.000 euro

Funding Agency: Department of Pathophysiology of Transplantation, University of Milan.

Title: Progetto Lung-DCD Milano City

Duration: 12 months

Key words: EVLP, Lung Transplantation

Role: Principal Investigator

Amount funded: 20.000 euro

Funding Agency: Fondazione Trapianti Onlus.

Title: Utilizzo dei sistemi di perfusione nel trapianto di fegato DCD.

Duration: 12 months

Key words: Machine perfusion, Liver transplantation, DCD.

Role: Principal Investigator

Amount funded: 15.000 euro

AWARDS

September 2014, Best selected oral presentation. XXXVIII congresso nazionale della Società Italiana Trapianti d'Organo (SITO), Siena 24-26. Title: "The application of an open lung strategy after cardio-circulatory collapse in rats preserve lung viability and promote the up-regulation of protective genes"

October 2013, Best selected oral presentation. XXXVII congresso nazionale della Società Italiana Trapianti d'Organo (SITO), Bari, 24-26. Title: "EVLP: dati preliminari a un anno di follow-up".

November 2013, Best selected poster award. Nord Italian Transplant program (NITp) Riunione Tecnico Scientifica 11/12 novembre 2013 Auditorium Palazzo della Regione, Udine. Title: "Ex vivo lung perfusion to improve donor lung function and increase the number of organs available for transplantation".

November 2009, Winner of the Eli Lilly – University of Toronto Critical Care Medicine Fellowship Award. Title: "Effects of extracellular pH modulation during hypoxia on reoxygenation injury in human bronchial epithelial cells". Eli Lilly-UofT Critical Care Medicine Fellowship to support Peter Spieth and Franco Valenza.

November 2009, Winner of the Research Project Award from the Fondazione IRCCS- Ospedale Maggiore Policlinico, Mangiagalli e Regina Elena. Title: "Modulation of pH at reperfusion as a strategy to increase the number of lung available for lung transplantation".

March 2003, "Poster award", 24th International Symposium of Intensive Care and Emergency Medicine (IS/ICEM, Bruxelles 18-21 March, 2003), Symposium chairman: JL Vincent (Belgio), President of the jury: J Takala (Finlandia) Title: A more homogeneous distribution of strain within lung parenchyma attenuates ventilator-induced lung injury in the prone position. Authors: F. Valenza, M Guglielmi, M Maffioletti, C Tedesco, GA Porro, P Maccagni, M Irace, T Fossali, G Aletti, E Carlesso, M Lazzerini, P Biondetti and L Gattinoni

March 2003, "Poster award" 23rd International Symposium of Intensive Care and Emergency Medicine (IS/ICEM, Bruxelles 18-21 March, 2003), Symposium chairman: JL Vincent (Belgio), President of the jury: J Takala (Finlandia). Title: Effects of continuous negative extra-abdominal pressure on intrathoracic blood shift with and without increased intra-abdominal pressure. Experimental study. Authors: F. Valenza, M. Guglielmi, S. Gatti, N. Bottino, S. Giacomini, M. Irace, C. Tedesco, M. Maffioletti , P. Maccagni and L. Gattinoni

November 1995, Best oral contribution (Selected Papers). Presidents of the jury: K. Reinhart, J.Takala and J.L. Vincent. *10th International Postgraduate Course in Critical Care Medicine* (Trieste, 13-19 November 1995). Title: Inhaled Nitric Oxide responsiveness. Authors: F. Valenza, D. Mascheroni, S.Crotti, P. Vicardi, . Pedoto, L. Gattinoni

November 1995, Best oral contribution (Selected Papers). Presidents of the jury: B.Kremzar, M.R. Pinsky and J.Takala. *10th International Postgraduate Course in Critical Care Medicine* (Trieste, 13-19 November 1995). Title: The effects of prone position on lung volume, respiratory compliance and gas exchange in ARDS patients. Authors: D. Tubiolo, P. Vicardi, P. Pelosi, S. Crotti, F. Valenza, D. Mascheroni, L. Gattinoni

Valenza, F., Chevallard, G., Porro, G.A., Gattinoni, L.

Static and dynamic components of esophageal and central venous pressure during intra-abdominal hypertension
(2007) Critical Care Medicine, 35 (6), pp. 1575-1581. Cited 39 times.
DOI: 10.1097/01.CCM.0000266589.58118.F0

Gattinoni, L., Caironi, P., **Valenza, F.**, Carlesso, E.

The Role of CT-scan Studies for the Diagnosis and Therapy of Acute Respiratory Distress Syndrome
(2006) Clinics in Chest Medicine, 27 (4), pp. 559-570. Cited 63 times.
DOI: 10.1016/j.ccm.2006.06.002

Gattinoni, L., Pelosi, P., Brazzi, L., **Valenza, F.**

Acute respiratory distress syndrome*
(2006) Clinical Critical Care Medicine, pp. 237-252.
DOI: 10.1016/B978-0-323-02844-8.50030-5

Valenza, F., Aletti, G., Fossali, T., Chevallard, G., Sacconi, F., Irace, M., Gattinoni, L.
Lactate as a marker of energy failure in critically ill patients: Hypothesis
(2005) Critical Care, 9 (6), pp. 588-593. Cited 64 times.

DOI: 10.1186/cc3818

Gattinoni, L., Chiumello, D., Cressoni, M., Valenza, F.

Pulmonary computed tomography and adult respiratory distress syndrome
(2005) Swiss Medical Weekly, 135 (11-12), pp. 169-174. Cited 20 times.

Valenza, F., Guglielmi, M., Maffioletti, M., Tedesco, C., Maccagni, P., Fossali, T., Aletti, G., Porro, G.A., Irace, M., Carlesso, E., Carboni, N., Lazzerini, M., Gattinoni, L.

Prone position delays the progression of ventilator-induced lung injury in rats: Does lung strain distribution play a role?

(2005) Critical Care Medicine, 33 (2), pp. 361-367. Cited 86 times.

DOI: 10.1097/01.CCM.0000150660.45376.7C

Valenza, F., Irace, M., Guglielmi, M., Gatti, S., Bottino, N., Tedesco, C., Maffioletti, M., Maccagni, P., Fossali, T., Aletti, G., Gattinoni, L.

Effects of continuous negative extra-abdominal pressure on cardiorespiratory function during abdominal hypertension: An experimental study

(2005) Intensive Care Medicine, 31 (1), pp. 105-111. Cited 26 times.

DOI: 10.1007/s00134-004-2483-2

Valenza, F., Ronzoni, G., Perrone, L., Valsecchi, M., Sibilla, S., Nosotti, M., Santambrogio, L., Cesana, B.M., Gattinoni, L.

Positive end-expiratory pressure applied to the dependent lung during one-lung ventilation improves oxygenation and respiratory mechanics in patients with high FEV₁

(2004) European Journal of Anaesthesiology, 21 (12), pp. 938-943. Cited 20 times.

DOI: 10.1017/S0265021504000316

Gattinoni, L., Chiumello, D., Carlesso, E., Valenza, F.

Bench-to-bedside review: Chest wall elastance in acute lung injury/acute respiratory distress syndrome patients

(2004) Critical Care, 8 (5), pp. 350-355. Cited 91 times.

DOI: 10.1186/cc2854

Gattinoni, L., Carlesso, E., Valenza, F., Chiumello, D., Caspani, M.L.

Acute respiratory distress syndrome, the critical care paradigm: What we learned and what we forgot

(2004) Current Opinion in Critical Care, 10 (4), pp. 272-278. Cited 26 times.

DOI: 10.1097/01.ccx.0000135511.75998.22

Quintel, M., Pelosi, P., Caironi, P., Meinhardt, J.P., Luecke, T., Herrmann, P., Taccone, P., Rylander, C., **Valenza, F., Carlesso, E., Gattinoni, L.**

An Increase of Abdominal Pressure Increases Pulmonary Edema in Oleic Acid-induced Lung Injury

(2004) American Journal of Respiratory and Critical Care Medicine, 169 (4), pp. 534-541. Cited 132 times.

Gattinoni, L., Vagginelli, F., Carlesso, E., Taccone, P., Conte, V., Chiumello, D., Valenza, F., Caironi, P., Pesenti, A.

Decrease in Paco₂ with prone position is predictive of improved outcome in acute respiratory distress syndrome

(2003) Critical Care Medicine, 31 (12), pp. 2727-2733. Cited 143 times.

DOI: 10.1097/01.CCM.0000098032.34052.F9

Gattinoni, L., Carlesso, E., Cadringher, P., Valenza, F., Vagginelli, F., Chiumello, D.

Physical and biological triggers of ventilator-induced lung injury and its prevention

(2003) European Respiratory Journal, Supplement, 22 (47), pp. 15s-25s. Cited 156 times.

Valenza, F., Bottino, N., Canavesi, K., Lissoni, A., Alongi, S., Losappio, S., Carlesso, E., Gattinoni, L.

Intra-abdominal pressure may be decreased non-invasively by continuous negative extra-abdominal pressure (NEXAP)

(2003) Intensive Care Medicine, 29 (11), pp. 2063-2067. Cited 32 times.

DOI: 10.1007/s00134-003-2013-7

Valenza, F., Guglielmi, M., Irace, M., Porro, G.A., Sibilla, S., Gattinoni, L.

Positive end-expiratory pressure delays the progression of lung injury during ventilator strategies involving high airway pressure and lung overdistention

(2003) Critical Care Medicine, 31 (7), pp. 1993-1998. Cited 38 times.

Sibilla, S., Tredici, S., Porro, G., Irace, M., Guglielmi, M., Nicolini, G., Tredici, G., **Valenza, F.**, Gattinoni, L.

Equal increases in respiratory system elastance reflect similar lung damage in experimental ventilator-induced lung injury

(2002) Intensive Care Medicine, 28 (2), pp. 196-203. Cited 19 times.

DOI: 10.1007/s00134-001-1177-2

Valenza, F., Sibilla, S., Porro, G.A., Brambilla, A., Tredici, S., Nicolini, G., Miloso, M., Tredici, G., Gattinoni, L.

An improved in vivo rat model for the study of mechanical ventilatory support effects on organs distal to the lung

(2000) Critical Care Medicine, 28 (11), pp. 3697-3704. Cited 17 times.

Catania, A., Cutuli, M., Garofalo, L., Airaghi, L., **Valenza, F.**, Lipton, J.M., Gattinoni, L.

Plasma concentrations and anti-L-cytokine effects of α -melanocyte stimulating hormone in septic patients

(2000) Critical Care Medicine, 28 (5), pp. 1403-1407. Cited 33 times.

Valenza, F.

Mechanical ventilation during thoracic anesthesia [Ventilazione meccanica durante anestesia toracica.]

(1999) Minerva anestesiologica, 65 (5), pp. 263-266. Cited 1 time.

INVITATIONS as SPEAKER

Scientific meetings of international relevance (including those from 2009 to 2017)

Extra Corporeal Life Support (ECLS) in donor organ protection. Emergency extracorporeal life support - who benefits? European Society of Anesthesia (ESA). Geneva, Switzerland. June 5-6, 2017.

Ex-vivo perfusion systems for optimizing organ function ...not only the lung. 28° SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milano, Italy. May.

Can ex-situ lung perfusion improve graft function? 7th International Meeting on Transplantation from DCD, 4th workshop on DCD. Hotel Crowne Palace Fira Center- Barcelona. October 25-26, 2016.

Lung transplantation with donation after circulatory determination of death donors and the impact of EVLP. Lake Como School of Advanced Studies, School on Organ Transplantation. June 27 – July 1, 2016.

Anesthesia and mechanical ventilation in the obese patient. 27° SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milano, Italy. May 25-27, 2016.

Organ Donation 2016: Ex-vivo reconditioning projects. 27° SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milano, Italy. May 25-27, 2016.

Entering the rea of perfusion system devices in donation and transplantation: Organ procurement from donors on Extracorporeal Membrane Oxygenation (ECMO). International Transplant Nurses Society. Ospedale degli Innocenti. Firenze, November 30, 1-2 December, 2016.

Consensus meeting on thoracic organ donor management. Lung donors. European Society of Organ Transplantation ESOT. Vien March 9, 2015.

Preservation techniques in lungs preservation: ELP vs. Transmedics. The donor surgeon. VI Edition. Padua 4-6 November 2015

Indication to ECMO during lung transplantation. European Association of Cardiothoracic Anesthesia (EACTA) annual congress. June 25, 2015

Issues in ECMO management. Ambulatory system: fiction or reality. Beyond the slides 2015, 1st Udine ECMO workshop. Auditorium Hypo Alpe. Adria Tavagnaccio December 18-19, 2015

The optimal ECLS strategy for PGD after lung transplantation. European Cardio Thoracic Transplant Meeting 1st ECTTA a section of European Society of Organ Transplantation (ESOT). Budapest, Hungary. October 3 - 4, 2014.

Ex-Vivo lung perfusion for lung transplant: patient safety and economic considerations. European Association of Cardiothoracic Anaesthesiologists (EACTA) and of the Society of Cardiovascular Anesthesiologists (SCA), 14th International Congress on Cardiovascular Anesthesia (ICCA 2014). Florence, Italy, September 17-19 2014.

The potential multi-organ donor. 25° SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milano, Italy. May 28-30, 2014.

Low TV is not essential during OLV. 25°SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milano, Italy. May 28-30, 2014.

Lung optimization in organ donation. The 26th Annual Congress of the European Society of Intensive Care Medicine, LIVES 2013, 26th Annual Congress, Paris, France, October 05-09, 2013.

Controlled mechanical ventilation: the basics. The 26th Annual Congress of the European Society of Intensive Care Medicine, LIVES 2013, 26th Annual Congress, Paris, France, October 05-09, 2013.

Donor preconditioning. International course "The donor surgeon", Padua November 13-15, 2013, V edition.

Lung reconditioning before transplantation. II International Conference on End Stage Lung Diseases: Focus on Idiopathic Pulmonary Fibrosis. Padua - Italy, Palazzo del Bo' - Aula Nievo. February 22nd, 2013.

How to Improve Lung Donation in the Brain-Dead Donor. MedTass 2013. 3^ Mediterranean Transplantation Anesthesiology and Symulation Symposium. IsMETT - Palermo. April 12-13, 2013.

The Impact of ICU Treatment on Organ Donation. XVI Annual Meetin of the Critical Care Tuscany Group. Poggio Imperiale. May, 29-31, 2013.

Hypoxia during thoracic surgery. 24° SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milano, Italy. May 8-10, 2013.

The impact of ICU treatment on transplanted organs. The 25th Annual Congress of the European Society of Intensive Care Medicine (ESICM) Lisbon, Portugal. October 13-17, 2012

Physiology of mechanical ventilation. The 25th Annual Congress of the European Society of Intensive Care Medicine (ESICM) Lisbon, Portugal. October 13-17, 2012.

ECMO and lung transplant program. New perspectives in ECMO 2012 - III International Meeting, Sesto San Giovanni Milano, Italy. October 5, 2012.

Lung procurement for transplant: donor treatment and EVLP techniques. 23°SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milano, Italy. May 9-11, 2012.

Anesthesia in the obese patient. 23° SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milano, Italy. May 9-11, 2012.

Starches and scientific frauds: where are we? 22° SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milano, Italy May 25-27, 2011.

Would you correct acidemia in septic shock? 22° SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milano, Italy May 25-27, 2011.

Ventilator induced lung injury. European Society of Intensive Care Meicne (ESICM) Summer Conference, Turin, Italy. Jun 23-25, 2011

The use of Plasma Volume 22° SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milan. Italy. May 5-7, 2010.

General anesthesia in the obese patient. 21° SMART Congress, Simposio Mostra Anestesia Rianimazione e Terapia Intensiva, MiCo - Milano Congressi, Milano, Italy. May 9-11, 2009.

Polytrauma: optimal blood pH. 29th International Symposium on Intensive Care and Emergency medicine (ISICEM) Exhibition & Convention Center, Brussels, Belgium. March 13-27, 2009.

Critical care in specific patient groups: The morbidly obese. 29th International Symposium on Intensive Care and Emergency medicine (ISICEM) Exhibition & Convention Center, Brussels, Belgium. March 13-27, 2009.

Lactic acidosis revisited: Should we give bicarbonate? 29th International Symposium on Intensive Care and Emergency medicine (ISICEM) Exhibition & Convention Center, Brussels, Belgium. March 13-27, 2009.
