## TRAINING OR RESEARCH ACTIVITY

I've taken part in a variety of training programs during my academic career that have improved my knowledge and proficiency in the accounting and finance fields.

At the University of Lahore, I took part in specific training sessions on financial reporting, budgeting, and strategic financial management as part of my Master of Business Administration degree.

I've also received training in advanced Excel, Tally ERP 9, and QuickBooks, which has improved my technical expertise in data analysis tools and accounting software.

I've honed my interpersonal and communication abilities by volunteering for the UN and receiving training in community outreach and education delivery.

### **RESEARCH ACTIVITY**

A review of the Coca-Cola Company's ratios Describe the particular ratios you looked at (such as the leverage, profitability, and liquidity ratios) and talk about how they affect Coca-Cola's financial performance and well-being. These ratios can also be compared to historical data or industry benchmarks.

Financial Analysis of the Pakistani Economy: Give a summary of the approaches you took, including trend, comparative, and regression analysis. Talk about important economic statistics and how they affect the economy as a whole, such as GDP growth, inflation, and unemployment rates.

Business Impact of COVID-19: Examine the ways in which the COVID-19 pandemic impacted different sectors and companies. Talk about the difficulties encountered, the tactics used to lessen the effects, and the long-term effects on corporate operations and the recovery of the economy.

Value decline for PEPSICO shares of the Yellow Sting product in Pakistan: Examine the causes of the Yellow Sting shares' declining value, including shifts in consumer preferences, market tactics, competition, and macroeconomic issues. Make suggestions on how to deal with these difficulties.

NISHAT GROUP's Organizational Structure: Describe the departments, divisions, and hierarchical levels that make up the organization. Examine the ways in which communication, decision-making, and overall

performance are impacted by organizational structure.

Effect of Trade Cycles on the Economy: Examine the various business cycle phases (expansion, peak, contraction, and trough), as well as the effects they have on employment, inflation, and monetary policy. Talk about risk management techniques related to the trade cycle
