La Commissione giudicatrice della selezione, nominata con Determina Direttoriale n. 9702 del 12/06/2024, composta da:

Prof. Niels Patriz Benedikter	Presidente
Dott.ssa Chiara Lusetti	Componente
Dott.ssa Laura Ester Sangalli	Componente
Dott. Paolo Di Vece	Segretario

comunica i quesiti relativi alla prova orale:

GRUPPO DI QUESITI N. 1

1 Il/La candidato/a illustri, in vista di un audit economico di secondo livello del progetto ERC, quale tipo di azioni metterebbe in atto per rispondere alle richieste della Commissione e quale documentazione renderebbe disponibile agli auditor.

Brano in inglese:

Dear Professor,

We are contacting you from the technical secretariat of the 9th ECM Congress, to be held in Sevilla from July 15th to 19th.

The Congress dinner will be held on Thursday, July 18th. Tickets for the Congress dinner are available for purchase until June 25th at a price of €69 each.

A cultural visit to the Real Alcazar de Sevilla, the oldest Royal Palace still in use in Europe, is included with the inscription fee. Visits will take place on July 15th, 16th and 17th from 20:00 to 21:00. Due to daily maximum capacity limits, please sign up by June 25th and select your visit date. Do not miss this magnificent opportunity!

Likewise, in order to optimize the resources and minimize the waste of food, we would highly appreciate it if you can inform us of the days you plan to have lunch at the Congress, from Monday 15th to Friday 19th.

We remain at your disposal for any additional information you may need. Have a nice day.

GRUPPO DI QUESITI N. 2

1 Il responsabile scientifico del progetto ERC (Principal Investigator PI) intende organizzare un grande convegno internazionale all'ultimo anno per la divulgazione dei risultati. Il/la candidato/a preveda una analisi dei rischi ed elabori un contingency plan o "piano b" nel caso in cui quei rischi dovessero avverarsi

Brano in inglese:

Dear Professor,

I am writing to you on behalf of the organizers of the school and workshop "Mathematical Challenges in Quantum Mechanics", which is scheduled to take place at GSSI (L'Aquila, Italy) on February 10-14, 2025 next year.

I am contacting you to ask whether you would be available to give a seminar during the workshop, which usually occupies the afternoons in the scientific programme of the event.

UNIVERSITÀ DEGLI STUDI DI MILANO

We would be extremely glad to have an expert such as yourself as one of the speakers, and we are sure that you would be able to present a unique vision on the "mathematical challenges" of the topic you'd like to present, and attract the interest of the younger attendants to this research line in quantum theory.

We very much hope that you can accept our invitation. In this case we are clearly going to cover all the expenses related to your participation.

Should you need any further information on the event, please do not hesitate to write to me.

We are looking forward to hearing from you!

Milano, 14 giugno 2024
