(inserire anno accademico, ente, corso, periodo, ecc.)

RESEARCH ASSISTANT Royal Holloway University of London

01/02/2023 – 01/07/2024, London, United Kingdom

I undertake research in the framework of Professor Joost van Spanje's ERC Consolidator Grant project "New Parties on the News", including, as part of a team colleagues, designing and conducting experimental and non-experimental research.

RESEARCH ASSISTANT University of Bristol

01/03/2022 – 31/07/2022, Bristol, United Kingdom

I collaborated on a project about the role of medical experts in influencing discourse about COVID-19 on Twitter. I was responsible for collecting, cleaning, and coding data (texts) from Twitter to build one machine learning classifier of Twitter posts about COVID-19 and perform topic modelling analyses.

Associate Fellowship – HEA Fellowship scheme (CREATE)

05/2023, Bristol, University of Bristol

I have been awarded as Associate Fellow demonstrating my skills in either designing learning activities, teaching directly in a classroom, contribute to student assessment, and develop learning environments to supporting learning and study.

Workshops and Summer Schools:

- Centre for Multilevel Modelling 2024 University of Bristol
Multilevel Modelling

- A un anno dall'inizio della legislatura: governo e parlamento alla prova dei (nuovi) numeri, University of Trieste, Trieste, 19-20 December 2023.

Paper Title: Italian Populist Radical Right Parties Navigating LGBT+ Issues

- ECPR Virtual Summer School 2022
Panel Data Analysis

- Summer Institute in Computational Social Science at the University of Edinburgh 2022
Advanced courses on social networks analysis, computational text analysis and machine learning.

- Doctoral Spring School at Università Normale Superiore of Florence 2022
Methods on visual analysis from qualitative interpretive to systematic quantitative image approaches.

- CARR Hedayah Far Right Counter Narratives Workshop 2019
Paper Title: The (Northern) League Political Narrative

- ECPR Summer School 2019
Introduction with text analysis

ORGANIZZAZIONE, DIREZIONE E COORDINAMENTO DI GRUPPI DI RICERCA NAZIONALI E INTERNAZIONALI, O PARTECIPAZIONE AGLI STESSI

(per ciascuna voce inserire anno, ruolo, gruppo di ricerca, ecc.)

• Country Expert (Italy) – VoteSwiper (April 2024 – Ongoing)

This project for the European Elections 2024, conducted in cooperation with the University of Fribourg, with the aim of strengthening an important democratic mechanism such as elections, through three objectives: facilitating informed decisions, encouraging the participation of young people and promoting transparency, without intermediaries between voters' opinions and positions expressed by parties.

• Country Expert (Italy) – European Violent Right-Wing Extremism Monitoring Project (EVREM) (February 2024 – Ongoing)

The EVREM Project builds upon the 'Knowledge Package of Violent Right-Wing Extremist Organisations, Symbols, and Manifestoes' commissioned by the European Commission in 2021. My responsibilities rely in producing information about Italian violent right-wing extremist (VRWE) organisations.

• Country Expert (Italy) - Proscribed Right-Wing Extremist Organization (PREO) (July 2021 - August 2023)

Project financed by German Federal Ministry of Education and Research (funding code 16DII125). My responsibilities rely in producing a catalogue of parties, symbols and contents that are banned or associated with PREOs in Italy.
